Uniquely, with full-time employed expert auditors, NSI as an independent, not-for-profit Certification Body, provides specialist certification services to the Fire and Security industries, sets the highest standards and operates the most robust audit regimes.

NSI's principal schemes are accredited by the United Kingdom Accreditation Service (UKAS).

NSI has been protecting end user interests in this way for over forty years. Large and small alike; Companies maintaining Gold approval with NSI rank among the most professional and trustworthy businesses in the security industry, and ensuring that their representatives visiting and/or stationed at end user are both highly competent and security vetted.
