NSI NACOSS GOLD Alphabetical Directory

Uniquely, with full-time employed expert auditors, NSI as an independent, not-for-profit Certification Body, provides specialist certification services to the Fire and Security industries, sets the highest standards and operates the most robust audit regimes.

NSI's principal schemes are accredited by the United Kingdom Accreditation Service (UKAS).

NSI has been protecting end user interests in this way for over forty years. Large and small alike; Companies maintaining Gold approval with NSI rank among the most professional and trustworthy businesses in the security industry, and ensuring that their representatives visiting and/or stationed at end user are both highly competent and security vetted.

NSI Gold Schemes

NSI NACOSS Gold	<u>NSI Gold Schemes comprise compliance to NSI's comprehensive 3-dimensional audit regime:</u> 1. NSI Regulations: all NSI Approved Companies must be financially viable, must have appropriate current insurances, operate from suitable secure premises, and must security screen customer facing staff to BS 7858, and must be audited annually 2. Relevant British and International Product standards and Codes of Practice 3. Relevant British and International Quality Management Standards - BS EN ISO 9001
ARC Gold

Alphabetical Directory

Key:

TYPE: The TYPE column identifies the type of premises listed:

- | | |
|------------------------------|--|
| H - Head Office | a head office may also be an installing branch. |
| I - Installing Branch | an installing branch is an office of an Approved Company which is equipped and staffed so that it is capable of installing and maintaining installations in accordance with NSI codes of practice and relevant British and European Standards. |
| S - Sales Office | a sales office is an office of an Approved Company which is suitably equipped and staffed so that enquiries from customers may be processed by letter, by telephone and by visiting the office. This definition specifically excludes un-manned offices. |
| B - Branch Office | a Branch Office is an appropriate centre from which Guarding services are delivered. |

SIA Approved Contractor Scheme

NSI Approved Companies which have also met the requirements of the SIA Approved Contractor Scheme are annotated with an "a" to the left of the company name. Refer to the SIA Register of Approved Contractors at www.sia.homeoffice.gov.uk/Pages/home.aspx for the latest updates.

Additional Services

An NSI Approved Company may offer additional services or capabilities which are listed beside the company name in the left margin of the page. Letters represent:

- a - SIA Approved Contractor Scheme (ACS) approved, either with an ACS Approval or with the NSI Guarding Gold passport specification.
- d - Detector activated CCTV installer to BS8418.
- e - NSI approval for Environmental Management Services to BS EN ISO 14001.
- f - NSI approval for Facilities Management services.
- h - NSI approval for Health and Safety to BS OHSAS 18001.
- s - NSI approved installer of Scaffold Alarms to NSI Code of Practice NCP115.
