

COMPANY PROFILE

THE COMPANY

JAS Consultancy Services was formed during February 1996 and commenced trading on 11th March 1996. The Company became "Limited" on 1st October 2011 with a name change to JAS Associates Limited. We are very proud that in 2016 we have achieved the NSI Associate Consultancy Programme (ACP) status (see logo below). The Company is based in Surrey and Birmingham. We operate throughout the UK and EIRE.

MANAGEMENT

The Company is led by John Slade, and is supported by fellow Director Jackie Plass. John has 25+ years experience in Management Systems and Occupational Health & Safety and has been in the Security & Safety Industry for 30+ years. He is a QMS/EMS/OHAS auditor, holds NEBOSH General Certificate and is a Technical Member of the Institution of Occupational Safety & Health (IOSH).

Jackie has 20+ years experience in Management Systems consultancy. She is a QMS/EMS/OHAS auditor.

OBJECTIVES

The Company's primary objective is to provide consultancy in the areas of Management Systems, Product Standards and Occupational Health & Safety to the highest of standards at a reasonable cost. Since commencement of trading the scope of services offered has increased to meet client demand without any loss of customer focus. These now include:

- Assistance to achieve and maintain Management Systems and "Product" Standards including ARCs to BS5979/EN50518, RVRCs to BS8418 and CCTV Control Rooms to BS7958.
- Representing a Company as their Health & Safety Consultant/Adviser.
- Production of Health & Safety Policies, Procedures, RAMS and the like.
- Assistance to achieve and maintain CHAS, Safecontractor, Constructionline, Achilles and the like.
- Training in relation to Management Systems & Health & Safety.
- Undertake BS7858 Security Screening and Training.
