GUARDING GOLD Alphabetical Directory

Uniquely, with full-time employed expert auditors, NSI as an independent, not-for-profit Certification Body, provides specialist certification services to the Fire and Security industries, sets the highest standards and operates the most robust audit regimes.

NSI's principal schemes are accredited by the United Kingdom Accreditation Service (UKAS).

NSI has been protecting end user interests in this way for over forty years. Large and small alike; Companies maintaining Gold approval with NSI rank among the most professional and trustworthy businesses in the security industry, and ensuring that their representatives visiting and/or stationed at end user are both highly competent and security vetted.

NSI Gold Schemes

NSI NACOSS Gold	<u>NSI Gold Schemes comprise compliance to NSI's comprehensive 3-dimensional audit regime:</u> 1. NSI Regulations: all NSI Approved Companies must be financially viable, must have appropriate current insurances, operate from suitable secure premises, and must security screen customer facing staff to BS 7858, and must be audited annually 2. Relevant British and International Product standards and Codes of Practice 3. Relevant British and International Quality Management Standards - BS EN ISO 9001

Alphabetical Directory

Key:

TYPE: The TYPE column identifies the type of premises listed:

- H - Head Office** a head office may also be an installing branch.
- B - Branch Office** a Branch Office is an appropriate centre from which Guarding services are delivered.

SIA Approved Contractor Scheme

NSI Approved Companies which have also met the requirements of the SIA Approved Contractor Scheme are annotated with an "a" to the left of the company name. Refer to the SIA Register of Approved Contractors at www.sia.homeoffice.gov.uk/Pages/home.aspx for the latest updates.

Additional Services

An NSI Approved Company may offer additional services or capabilities which are listed beside the company name in the left margin of the page. Letters represent:
