

KYTE CONSULTANCY LTD

COMPANY:

Kyte Consultancy Ltd was formed in February 2016 and is a registered limited company with a growing client base. The company prides itself on providing tailored and bespoke consultancy, with a personal touch.

CONSULTANT:

Al served in the Royal Air Force for 22 years where he gained experience and expertise in physical and personnel security; as well as risk, investigations and security management.

On leaving the service in 2012, Al entered the world of Quality Management and Lead Auditing with the National Security Inspectorate (NSI). As an NSI Regional Inspector within the services division, he was responsible for portfolio audit delivery, progressing in to Key client account and operational management.

Al has also worked within the private security sector and held a senior management position for a major security provider in the Midlands, prior to establishing the business.

With a growing client base, Al has assisted a host of companies in achieving and maintaining 9001, 14001, 18001 and SIA ACS accreditations.

Al holds Lead Auditor qualifications for ISO 9001, ISO 14001 and BS OHSAS 18001; as well as being Nebosh trained and holding a current Prince 2 Project Management qualification.

Al is also an Associate of the highly regarded Fletcher Consultancy and continues to audit on behalf of NSI on a sub-contractor basis, ensuring industry knowledge is current, as well as meeting all awarding body requirements.
